Membership and renewals

For an organization like the Stanstead Historical Society, memberships are vital. Membership fees provide essential revenue to help maintain our activities. And when it comes time to submit projects or apply for government funding, a solid membership base demonstrates clearly that the local community, as well as our visitors, actively support the Society.

Please provide your e-mail address so that we can include you in our Internet invitations to special activities and exhibit openings. Your e-mail address will remain *confidential*, and will not be communicated to third parties.

Stanstead Historical Society
